

The City of Locust  
**CAPACITY FEE SCHEDULE**  
 Wastewater Facilities Service

**Effective July 1, 2010**

**Single Family Residential**

*Per unit* \$ 2500.00

**Multi-Family Residential**

*Per unit* \$ 2500.00

**Commercial**

*Capacity fees simply stated are fees charged upon an original or reconnection to any City sewer line. This fee is used to ensure adequate sewer plant capacity for current and future use in relation to the demands placed on the system by an additional customer.*

<b>Water Meter Size</b>	<b>Capacity Fee Per Sewer Tap</b>
3/4"	\$ 5,000.00
1"	\$ 10,000.00
1 1/2"	\$ 15,900.00
2"	\$ 25,500.00
3"	\$ 71,700.00
4"	\$ 159,300.00
6"	\$ 223,000.00

Capacity fees are due upon request of service or prior to issuance of Certificate of Occupancy or issuance of Zoning Compliance Certificate. Cost is per number of sewer access points. Water sprinkler flows will also be included in the capacity fee.
