516 E. Main – Larry Lee Huneycutt – HC to NR

Suggested language for denial:

I move that the request to rezone the parcel owned by Larry Lee Huneycutt located at 516 E Main St., from HC (Highway Commercial) to NR (Neighborhood Residential) be denied. This parcel is near existing residential locations and industrial facilities and is referenced in the land use map shown as Highway Commercial Corridor. Which would be inconsistent with the 2014 Land Use Plan.
