

Please join us at an
ELECTRONICS RECYCLING EVENT

Hosted By: City of Locust

**Where: City of Locust Department of Public Works Facility
 221 Kylie Court, Locust, NC 28097**

When: April 2023, Monday-Friday 8am-3pm

SECURE DATA DESTRUCTION

One of the most critical operations All-Green Recycling performs is secured destruction of data storage devices. We ensure your peace of mind by responsibly disposing of items brought in from home or collected from offices that could contain sensitive information. All hard drives are removed and shred at our secure facility.
